

CircularNo-009/2024-25Date-18.04.2024

KG - XII

DearParents

“Nobody can do everything, but everybody can do something”.

Our emphasis at KenBridge is not only in academics and co-curricular activities but stress on imbibing the social values. “No other joy is more precious than the joy of giving”. It is a necessity to develop conscious children who understand the need of spreading happiness. For developing responsible children we have initiated Aas Aur Prayas project in the school.

You are requested to participate in the project and make your children understand the value of sharing and donating. Tomorrow i.e. 20th April is the first day of Aas Aur Prayas project in which learning material shall be donated to under privileged children. You are thus requested to donate stationary articles. Boxes shall be placed on each floor. Kindly drop the articles in the tagged boxes when you come for the PTM.

This is your opportunity to connect with the happy feeling one gets after giving, to change lives. We request you to promote your child to come forward and donate generously.

Regards

Principal
