Dear Parent

Warm Greetings!

Google Classroom is introduced for all classes. For that you are requested to create a gmail account of your ward by the child's name. After creating the account kindly download Google Classroom app from the google play store. After installing the Google classroom app please follow the following steps for joining google classroom.

Please make sure that the gmail Id (email) is with your child's name.

Steps for joining –

1. Copy the class code provided by the class teacher on whatsapp group.
2. Open your google classroom app.
3. Click on the '+' sign.
4. Choose the 'join class' option.
5. Paste the code. You will be joined in the class group.

Regards

Principal
