

KENBRIDGE SCHOOL, KOTA

ANNUAL REPORT- 2014- 15

Respected chief guest hounourable Dr. Ravi Prakash I.G police Kota.,oureminent chair person

Mr. Gulab Singh Ujwal ,.....all our esteemed guests and our very dear parents .It gives me immense pleasure to welcome all of you to shubhra spreading the radiance of love and peace. I am grateful to our chief guest and all our eminent guests and our dear parents for gracing the occasion with their presence.

Shubhra is an effort to make everyone realize that peace is not an impossible idea but it is extremely feasible. To achieve this we need to realize that patriotism to one's country is a great thing however in order to achieve world peace we need to think ourselves as citizens of one united world.

The children have tried to depict this through their presentation where they are presenting the value of love and peace we celebrate in every relation that we live

I would like to take this opportunity to present before you the academic report of the session.

This academic session has been full of surprises and achievements. I am proud announce that the year 2014 has added a new milestone in the school history since we got our school affiliated to CBSE . The school is now the member of Kota Sahodaya School complex which is a group of all the CBSE schools coming together to share the innovative practices in all aspects of school education.

Other than that the children have been involved in number of core curricular and co-curricular activities.

Under academics 39students of the primary section got A1 grade. The children have been participated in the Olympiad and unified council examinations whereas compare to the last session participation of children has shown tremendous improvement.A number of academic activities have been planned and executed in school for improving the academic performance of the children. To name a few ,mentee periods have proven to be very successful and effective the spelling and the handwriting improvement periods have been initiated in the time table .The subject weeks were initiated in the school where extensive efforts were made by the subject teachers to develop the capability and understanding of the children. Subject weeks were organized. In the month of May socialscience week in july English week in august Hindi week in October math and science week were organize in the school . Other than the academic activities much planned co.corricular activities and competitions were also organized with recognition of the merits of activity base teaching approach that challenges and stimulate the intellect. The teachers are continuously supported by the training programme to keep them updated with the methods of latest teaching method and techniques. One such orientation programme for the teaches is schedule for the last week of December where capacity building programme will be conducted for the teachers by Next Education.

Two maths teachers of the school were sent to attend the workshop organized by Ratna Sagar on 28th of November and language teachers were sent to attend the workshop conducted by in association with Ratna Sagar in the month of December.

Annual report (Activity)

We are rejoiced to acknowledge that we had wonderful results and achievements in co-curricular activities also. I proudly place before you the brief scenario of the co-curricular activities in this year –

- It is matter of pride that two of our students Chirag Aggarwal and Aditya Gupta won the Inter School Treasure Hunt Competition organized by Bansal Public School, Kota in the month of November.

In the inter school competitions the school participated in quiz, drawing, cardmaking, storytelling competitions where the efforts of the children were appreciable.

Bharat ko jaano pratiyogita was organized by Bharat vikas parishda where two of our school children Nikhil Jain and chirag agarwal were felicitated for getting ranking at school level.

- Our students actively participated in the inter school group song competition and group dance competition conducted by Bharat Vikas Parishad .
- On sardar vallabhai patel jayanti , our students showed great enthusiasm for participating in the Run For Unity , an inter school rally march conducted under CBSE initiative.
- Under Swacch Bharat Abhiyan , Clean School Campaign is being organized in the school wherein various intra class competitions/activities are conducted such as Best Clean Class Competition, Check your personal hygiene Day, Best out of waste workshop,etc.
- Various Inter House Competitions were held for the children to accentuate the best they possess and they left us astounded by their fabulous performance.
 - Debates- English and Hindi Recitation Competitions, Slogan Writing Competition G.K. Quiz –, Rangoli making competition s were organized in the school .Cricket Championship – An event of thrill and diligence. It was an opportunity for our up coming players to display their expertise. Every house did their utmost to win the Tournament but the final winners became the house Worthy Wizards.
- Special Assemblies in the school were organized to celebrate the important days and festivals. Each class was given a chance to conduct and organize the special assembly on a particular theme. Cultural Nourishment was provided the students in the form of Spic Macay workshops conducted.
 - The famous Bharatnatyam Dancer Gauri Diwakar fascinated us by her alluring performance under the spic Mackey series in the month of April
 - Dr Neena Prasad presented mohiniattam in the month of November.
- Guest lectures were organized on the occasion of Earth Day and Van Mahotsava. A renowned environmentalist Dr L.K. Dadich shared his immense knowledge and understanding on the graveness of the matter of conservation of environment and its resources.

From the agriculture University of Kota, Mr Peadeep Puniavisited our school and explained the process of proper dumping of waste and manure production through the composed pit method. The PPT showed by the guest involved the demonstration of various new ways of waste management.
- Similarly, tree plantation was done by the students under Van Mahotsava celebration. Each class was made responsible to look after one plant properly.

Excellence in academics is the hallmark of any good institution .The statistics of the school based result has shown tremendous improvement.

I would like to thank every one of you for your unrelenting support and hope you will continue to support us in all our endeavors.

Hope our parent partners will always walk hand in hand with us for the holistic development of our children.
