

ANNUAL REPORT, 2019- 20

“Right education should help the student, not only to develop his capacities,
But to understand his own highest interest.”

KenBridge is considered one of the best schools in Kota, not only for its results but for its culture too. I feel very proud to be part of such amazing institution.

“If the mind is intensely eager, everything can be accomplished – mountains can be crumbled into atoms,”
said Swami Vivekananda.

A number of activities and functions were organized throughout the year to ensure a better personality development among students as we believe that each child is unique and possesses inherent potential.
