No to Single use Plastic Bags

5th February

Kenbridge School organised a campaign - "Say No to Single Use Plastic bags." This was in the context of Prime Minister Modi's exhortations to Indians to eschew the use of single-use plastic by October.

Our Students marched around the school along with Ms Vandana Singh, honourable Principal, teachers and Municipal corporation cleaning committee to sensitize the society against the fast-growing menace of plastic. The school organised a cleanliness drive, "SAY NO TO SINGLE USE PLASTIC BAGS". Along with this, they performed 'CLEANLINESS PROGRAM' for the people to generate awareness about harmful usage of single-use plastic.

Kenbridge school has always believed in taking the utmost care of the environment. The enthusiasm of the students knew no bound as they poured their hearts out to sensitize the people around the school premises and nearby community areas against the single use of plastics. We stand with the government and will make sure that no student or staff in school carries any kind of single use plastic material." said Vandana Singh, Principal, Kenbridge School kota.

The response of the society was overwhelming and the residents of Ujjwal Vihar were willingly leave no stone unturned to support the cause.

KenBridge School performs Yagya every year seeking blessings from Maa Saraswati for the wellbeing of every individual.

The Havan was conducted in the school premises with all the staff members and the students maintaining the social distancing protocols.

As offerings everyone was distributed yellow sweet rice as Prashad.

Fitness session

1st Feb – 21st February

The Fit KenBridge Movement is a movement to take its staff on a path of fitness and wellness. It provides a unique and exciting opportunity to work towards a healthier school. As part of the movement, school staff can undertake various efforts for their own health and well-being. The session starts with calm yoga and continues with running, jogging, Resistance Training, Zumba, Aerobics, and ends with Mantra chanting.

This initiative has been taken by the institute to make its staff most active, positive, healthy and charged to deal all types of highs and lows calmly in life, along with maintaining the good physical health. The challenges of the modern day life has brought along with it the need to be more physically proactive and fit in order to face its challenges with optimum energy and positivity. Fit teachers are able to handle day-to-day physical and emotional challenges better. However, for a holistic and intrinsically healthy lifestyle, awareness and support for fitness movement is more essential than ever.

Many stories were narrated through PPTs to make them realise the importance of trees.

A small questionnaire was also held to make sure the understanding of concept to the children had reached properly.

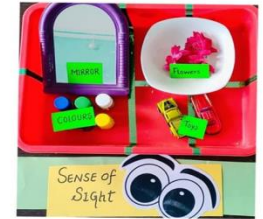

The session was conducted successfully with beautiful message on save trees.

Sensory Walk

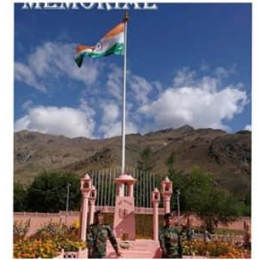

21st July

A short walk can go a long way in heightening children's awareness. Keeping this in mind a sensory walk was organized. For the sense explorations children were invited to touch different types of textures and describe how they feel (such as cement, gravel or rubber surfaces, grass, plants, tree bark, brick, and metal). For visual explorations, children talked about different colors that they see indoors or outdoors. For the sense of smell they were asked to describe different types of smells. Teachers and parents photographed several of the things children have smelled. The teachers used the phone, camera, or other audio recorder to record a variety of outdoor sounds that children hear and shared it with them. The sounds of animal and birds were played and they were asked to identify.

Green Colour Day

29th September.

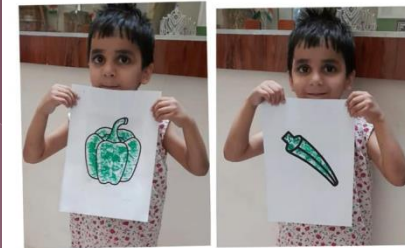

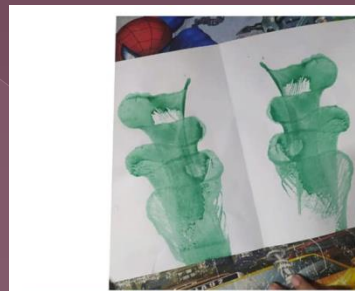

Green is a Colour of life and its a colour of Nature as well. Our Kindergarten section celebrated Green colour day on 29th September on virtual platform .

They learnt different types of block painting techniques with the help of a variety of articles including ear buds, green vegetables etc.

All these activities were done with the help of green water colour primarily.

All the students presented themselves dressed in different shades of green; they also carried and spoke about their favourite green colour object and enjoyed virtual tours. Our teachers also joined the celebration by wearing green colour dress.

Hence it became an enriching learning experience for the children and they are able to identify Green colour.

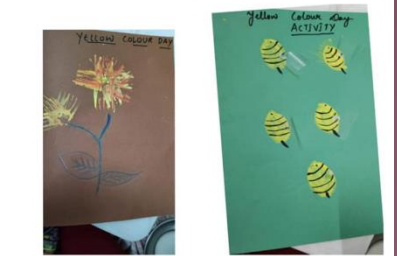

Yellow Colour Day

6th October

A glimpse of yellow colour day celebration :

Yellow is the colour of optimism, glory, sunshine, and happiness. It stands for freshness, positivity, intellect and joy. The motive of celebrating yellow day was to make the students aware of the colour yellow, its significance and to de-velop the fine motor skills in the students.

Our little KenBridgians celebrated Yellow colour day with many creative activities . The activities instilled in the children the understanding of the different shades of yellow colour . The virtual session began with fun filled introduction concerning the colour yellow. Students were all dressed up in different shades of yellow colour. It was indeed a visual treat to see the impact of the yellow colour on our little angels on the screen.

Makar Sankranti

13th January.

On the day of Makar Sankranti it is an important ritual to fly kites. The festival spirit is showcased by flying the kites as high as possible. The day brings happiness and joy with colorful flying kites. Keeping up the spirit of celebration children dressed in Lohri/Pongal theme and performed Gidda/Bhangra on vibrant folk songs. Children flew kites with their parents and learnt the strength of the family bond. Thus the celebration's planning was successfully executed and taught the young KenBridgians the significance of the festival which majorly focuses on unity in diversity.
