## ABOUT KENBRIDGE

KenBridge School imparts education using technology where children are encouraged to have a practical and joyful educational journey. This method of teaching, along with an integrated curriculum encourages students to become life-long learners. Learning beyond the realm of books also gives the students a head start. We believe in delivering quality education through technology enabled and activity based learning. Our trained staff ensures that your child is well prepared to face challenges in a global scenario while staying deep rooted to Indian values.

## MISSION

- Encourage analytical, self-directed learning and creative application of knowledge.
- Actively promote teamwork, cooperation and effective communication.
- Create a humane and caring environment that caters to the development of a healthy self-esteem.
- Inculcate a sense of community service in our children and emphasize the importance of the moral aspects of life.

## TEACHING METHODOLOGY

KenBridge School Kota aims at nurturing individuals with paramount values and multivalent competencies. As we continue our vision, a dynamic new curriculum developed by an accomplished team ensures academic excellence with pedagogical discipline. The best practices of interactive and creative shift in learning and teaching are reinvented for progressive engagement of the students. The inclusion of a digital, online matrix, technology and AI aided tools, holistic sensitivity and a re-alignment of strategies gives the school an edge over others. New frontiers of standards are evident here. An all-embracing new curriculum design meets the demands of the **NEP** with a stress on meta cognitive awareness that facilitates the process of Innovation and Research.

- NCC Air Wing:** The training curriculum is focused towards character building & inculcating leadership qualities through structured syllabi.

## AN OVERVIEW OF THE ACTIVITIES

### Learning- A fun filled experience:

As children take their first step at KenBridge a whole new world begins to unfold. At school here, this excitement and energy is channelized towards positive growth of mind, body and personality.

### Self Enhancement:

Here children have an identity and sense of self. They are intelligent beings who understand their place in the world. They have the ability to learn through active exploration and interaction with concrete material, adults and peer group.

### Activities:

Holistic education demands development of all aspects of individual's personality including cognitive, affective and psychomotor domains. To serve this purpose, we have a well-crafted schedule for refining the talent of the students in the activities of their choice. Level wise activities are:

#### Kindergarten - II

Dance, Music, Speech and Drama, Yoga, Origami, Art and Craft, Etiquettes and Table Manners, Clay Modelling, Aerobics, Science Modelling, Splash Pool, Sports and Games.

#### Grade 3 Onwards-Two activities from the following list: (one from each head)

**Artistic hand** - Pottery, Cooking, Dance, Vocal & Instrumental Music, Speech & Drama, Art & Craft.

**Sporty Spirit** - Activities are offered as a part of the school curriculum. These activities are conducted within the school timings and supervised by specialized instructors. Open play grounds are available for sports and field games like Aerobics, Yoga, Hockey, Football, Cricket, Volleyball, Tennis, Taekwondo.

#### Success:

At KenBridge School Kota, experiences are designed to stimulate learning in all areas - Physical, social, emotional and intellectual. Children are taught basic skills through a need based curriculum designed by a committed, trained and experienced faculty. Multiple Intelligence Theory works as a tool through which children learn and relate to the concepts chosen for their overall personality development.
